Welcome Home

Joseph "Joe" DeAngelis was born and raised in Patterson, New Jersey, and lived there until he was 26. He attended Seton Hall University where he got his Bachelor's Degree in Secondary Education. His family moved to Fort Lauderdale and he got his Master's Degree from Florida State in Library Science. Joe worked for the Broward County Libraries for 34 years being in charge of Adult Programs and Historical Exhibits. He was a member of the Sierra Club and traveled with them to the Caribbean and the Yucatan and is fascinated by the Mayan Ruins. Joe always tries to keep an open mind and learn new things every day. We are so happy to have you as part of our community. Your intellect and warm personality are a great addition to DeSoto Palms. Welcome Home, Joe!

Employee of the Month

CONGRATULATIONS, SHEENA!!

Sheena Monroe is our November Employee of the Month! She has been working here as a Resident Aide for six months, but has been in the medical field for over 10 years. Sheena shows compassion, dedication, and dependability every day for our residents and her coworkers. She is a natural leader. She believes in treating the residents with respect and dignity and always goes the extra mile for them. Sheena is honored to be recognized as Employee of the Month; however, she believes that being a great employee should be a daily goal and is something she strives for every day. We are thankful to have Sheena as part of our team. Thanks for all that you do!
